

THE ENDURANCE KARTING ASSOCIATION

TEAM NOMINATION FORM

Teams will only be able to nominate once for the 2012 season, the team name and number will remain for the duration of the 2012 season so please choose carefully, this will speed the process of posting results to the TEKA website and MyLaps results.

If the team name or number you choose has been previously nominated by another team the timekeeper will contact you in order to make necessary changes.

NOTE: Preference will be given for teams to use the same number again for the 2012 season that they used in the 2011 season. As 2011 club champions kart 9 have their number on hold for the 2012 season and so this number is unavailable.
