Compulsory fuel stops must take place at the fuel bay. In the rare case where a
team may not need additional fuel, however, are still required to complete the
compulsory stop, the driver must still stop the kart at the fuel bay and turn the
engines off. The driver will remove themselves from the kart and request no fuel be
added to the tank, before being told to hop back into the kart and resume the
normal restart procedure. This way there will be no confusion with the fuel marshals who check off each kart's compulsory stops as completed. The minimum pit time for
a fuel stop will still apply.

The series shall be scored on an outright basis for all teams competing in the Briggs & Stratton Championship (PRO, A and Heavy grades), scoring points for the outright position achieved with the exclusion of any N grade teams.

Teams wishing to be eligible for Championship points must have at least one driver with TEKA Club Membership. Teams wishing to be eligible for Championship points in a particular grade must field a driver line-up in accordance with the allowable grade combinations nominated in the 2024 TEKA Driver Gradings, available at www.teka.com.au. The grading of an individual driver will be determined by the event Officials or organising committee. The organising committee reserve the right to grade teams in PRO, A, Heavy or N Grade.

N Grade karts are not eligible for series points however can start the race from the position they qualify.

TROPHIES & PRIZES:

Point scores, trophies and prizes can only be determined once all post-Race penalties have been applied. All results are preliminary until 7 days after the conclusion of the event.

Trophies or Medals will be awarded for 1st, 2nd and 3rd in A Grade & Heavy Grade.

1st, 2nd and 3rd in each Class / Grading will be determined by the highest to lowest point score at the completion of the event. On two-race weekends, points will be tallied over the two races, both races being worth full points. In the event of a tie, countback will occur based on the greatest number of 1st places, followed by the greatest number of 2nd places, 3rd places, etc. If there is still a tie, qualifying results will be used to determine the order of places.
