C. MEETING FORMAT

FORMAT OF CLASS RACING:

Practice	sessions will be held as defined in the Timetable.
Qualifying	There will be one (1) timed qualifying sessions as defined in the event timetable. Qualifying will be one (1) 10-minute session , with the fastest time set being the time that sets the grid. Fastest to slowest time.
Starting Grid	Will be as per the Endurance Regulations Grid Determination – Section 4E.8.7.

<p>Race</p>	<p>The event will consist of two (1) race. (69 tooth rear sprockets required for this event)</p> <p>Race 1 Saturday 22nd June 2024 Duration: 8 hours Compulsory pit stops: 11 including a minimum of 5 fuel stops.</p> <p>Normal points being awarded (See points score table) The race will commence with a standing start. The minimum number of drivers is 3. Cross entering of drivers between teams is not permitted. Any "P" plate (D Grade) Driver starting the race, MUST start rear of field.</p> <p>The results from the weekend will be determined by the finishing positions of the race.</p>
<p>Pit Lane</p>	<p>Speed limit in the pit area is restricted to 15kph (or as displayed in the pit area), to be measured by radar screen and/or by the pit lane official. Penalty for exceeding this speed limit will be determined by the officials and can include a stop-go penalty for the first offence, 5 lap computer timing penalty for a second offence and a 10-lap penalty for a third offence.</p> <p>Pit lane minimum time is the minimum time set to pass between 2 fixed points in the pit lane. This set time value and details will be notified at drivers briefing or during practice. This applies to all karts entering pit lane for any purpose during racing and is not applicable for Practice or Qualifying. Penalty of 10 seconds for every 1 second, or part thereof, under the minimum set time. This will be Judge of Fact by Chief Timekeeper.</p> <p>Compulsory fuel stops must take place at the fuel bay. In the rare case where a team may not need additional fuel, however, are still required to complete the compulsory stop, the driver must still stop the kart at the fuel bay and turn the engines off. The driver will remove themselves from the kart and request no fuel be added to the tank, before being told to hop back into the kart and resume the normal restart procedure. This way there will be no confusion with the fuel marshals who check off each kart's compulsory stops as completed. The minimum pit time for a fuel stop will still apply.</p> <p>In the event of a mechanical breakdown/repair, this stop will be counted as a compulsory stop.</p> <p>Drive through penalties/stop-go penalties will have the minimum pit time of a drive-through applied.</p> <p>Should a Virtual Safety Kart (VSK) be deployed, the entry of the pits will be closed. Karts are not to enter the pits under any of the following conditions.</p> <ul style="list-style-type: none"> - Full course yellow - Pit lane closed board in place. - Pit lane closed red light on - VSK board displayed. <p>Karts that enter the pits prior to the VSK can re-enter the track safely and must join the freight train as soon as possible, while being mindful that there may be an</p>

	<p>incident on the circuit. The pit exit is not to be closed. Karts that are in the pits for mechanical repairs prior to the VSK can also re-enter the track safely. Please take note of KNSW rules 4E.12.8 Endurance Full Course Yellow.</p> <p>ALL MINIMUM PIT TIMES WILL BE ANNOUNCED AND DISPLAYED BEFORE COMMENCEMENT OF QUALIFYING.</p> <p>ALL JUDGE OF FACT TIMING PENALTIES WILL BE APPLIED POST RACE</p>

The series shall be scored on an outright basis for all teams competing in the Briggs & Stratton Championship (PRO, A and Heavy grades), scoring points for the outright position achieved with the exclusion of any N grade teams.

Teams wishing to be eligible for Championship points in a particular grade must field a driver line-up in accordance with the allowable grade combinations nominated in the 2024 TEKA Driver Gradings, available at www.teka.com.au. The grading of an individual driver will be determined by the event Officials or organising committee. The organising committee reserve the right to grade teams in PRO, A, Heavy or N Grade. Any team wishing to enter a previously ungraded driver, should confirm with the committee first regarding the grading of that driver before entering. An email should be sent to info@teka.com.au with details of the ungraded driver, their racing experience and licence grade. The committee will consider all details and inform the requestor of the decision prior to the race meeting. If no email is received, the grading of that driver may occur during the event, which may impact team grade during the event.

N Grade karts are not eligible for series points however can start the race from the position they qualify.

TROPHIES & PRIZES:

Point scores, trophies and prizes can only be determined once all post-Race penalties have been applied. All results are preliminary until 7 days after the conclusion of the event.

Trophies or Medals will be awarded for 1st, 2nd and 3rd in A Grade & B Grade.

1st, 2nd and 3rd in each Class / Grading will be determined by the highest to lowest point score at the completion of the event. On two-race weekends, points will be tallied over the two races, both races being worth full points. In the event of a tie, countback will occur based on

the greatest number of 1st places, followed by the greatest number of 2nd places, 3rd places, etc. If there is still a tie, qualifying results will be used to determine the order of places
